**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Six years ago I chose to get my broadband with Sonic because they offered the best value, best options and best customer service. I'm now at my third address with Sonic. They're interested in helping their customers, not just taking their money; something the big players have forgotten. When they bring fiber to town, I'll be first in line.
